Cyberbullying PART 1

 common sense education®

What is cyberbullying, and what can you do to stop it?

Learning intention

We are learning to be safe and respectful learners in an online environment

Success criteria

I can identify what cyberbullying is and can recognise the similarities and differences between in-person bullying, cyberbullying, and being mean

I can describe and use strategies in situations of cyberbullying

I can recognise when to seek help in cyberbullying situations

I can empathise with the targets of cyberbullying.

I can be a positive bystander (upstander) in a cyberbullying situation (if it is safe to do so)

common sense education®

Cyberbullying

Cyberbullying is using digital devices, sites, and apps to intimidate, hurt, harm or upset someone.

Cyberbullying could be sending hurtful messages, pictures or comments.

Target

The person who is on the receiving end of the bullying

Bully

The person who is doing the bullying
