Principal Update

Dear Parents and Carers,

Wellbeing Initiative

Last week, I had great pleasure engaging with all Stage 3 students in conversations about healthy and unhealthy signs during friendship interactions. Together, we were able to look at several scenarios and identify healthy, warning and unhealthy signs that can appear during friendship groups. It was great to conclude with strategies in resolving warning signs or having a trusted adult (parent/teacher) intervene when we recognise unhealthy signs.

This week our prefects have led team building activities across all Stage 3 classes. The activities have been planned by each school prefect. Our Stage 2 teachers have spent time discussing qualities of a good friend, followed by sharing of scenarios and identification of healthy, warning and unhealthy signs in friendships. Next week, our prefects will lead our Stage 2 students in team building activities. We also welcome Constable Jim Bottalico, Youth Liaison Officer to discuss Cyber Safety with our Stage 3 students.

I look forward to hopefully welcoming parents and carers into our school assemblies in Semester 2 and will keep you informed once further restrictions are lifted.

Gentle reminder: Term 1 School Accounts

P&C Fundraiser: Treasured family recipes needed for our School's Cookbook

We are asking all families to submit a treasured family recipe along with a photograph, a brief explanation of the dish's history and its importance to your family (please see attached flyer).

The cookbook will be professionally printed and serve as a wonderful memento for families — one that encourages family conversations, sharing and celebration of the wonderful cultural diversity that makes up the Croydon Park Public School Community. Please forward recipes or questions to flavoursofcpp@gmail.com Your support is very much appreciated.

Keeping the School Informed

Please make sure when any of your personal arrangements change let the office know the details. This includes changes in personal contact details, pick up and drop off arrangements and emergency contacts.

Last day of term is next Friday 3 July.

As term 2 draws to a close, I would like to take this opportunity to thank parents and carers for your support in home learning, cooperation to fulltime return to school guidelines, staggered pick up and drop off arrangements. Wishing all our families a wonderful holiday break.

School resumes on Tuesday 21 July for all students. At this stage, our school will continue with staggered pick up time arrangements for the beginning of next term. I look forward to keeping you informed of any changes that may occur as soon as further restrictions continue to lift.

Kindest Regards,

Anastasia Galanos, Principal.

Early Stage 1 Update

Kindergarten students have now been at school for 91 school days. We are getting very excited as we count up to 100 days of school! My outfit is already for next term. I can't wait too. Remember the students can come to school dress like they are 100 years old.

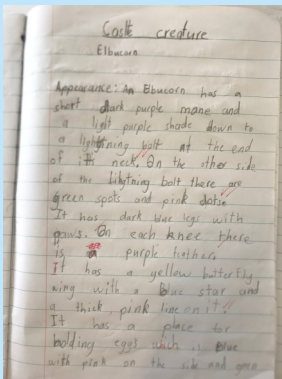

This Wednesday is our PBL celebration day. Each term students celebrate being respectful, safe and a good learner. On Wednesday the students can come dressed in their pyjamas for our PJ and Movie day.

I would also like to remind parents to return permission notes and to make payments for the Ultimate Dreamtime incursion which is taking place on Wednesday in the first week back at school in Term 3.

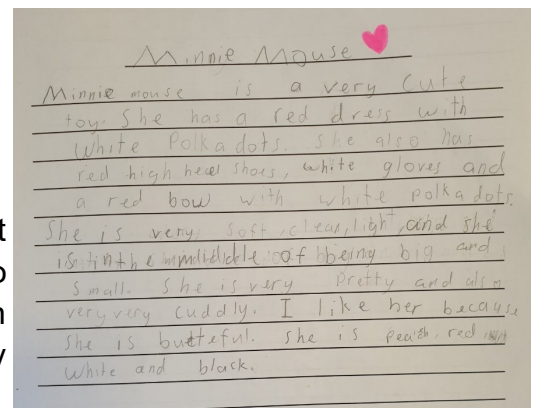

Finally I would like to take this opportunity to knowledge the great learning happening with Kindergarten. Over the last several weeks, kindergarten students have started reading and writing and already we have students really challenging themselves. It is wonderful seeing I earning in action!

Emma Thuell, Assistant Principal

Stage 1 Update

As we approach the end of term break at the end of next week, I'd like to congratulate all the Stage 1 students on all their hard work in what was a busy and eventful term.

Over the past few weeks, Stage 1 students have been focusing on their descriptive writing and on improving their own writing. They have been looking carefully at samples of good writing and using I Can Statements to meet their writing goals. Here is some of their hard work.

Eliza Judd, Relieving Assistant Principal

CROYDON PARK PUBLIC SCHOOL NEO ORA

Stage 2 Update

Thank you to the parents and carers who returned the note regarding intention to apply for an opportunity class in 2021. This is the final reminder that the **closing date is Friday 26 June**.

With only one week to go in Term 2, the Stage 2 team would like to wish all families a safe, happy and well-deserved holiday over the winter break. We look forward to commencing Term 3 refreshed. There will be an update in the newsletter at the beginning of next term regarding Stage 2 teaching and learning programs and homework.

Ashley Winwood, Assistant Principal

Stage 3 Update

I would like to remind parents to return permission notes and make payments for Ultimate Dreamtime incursion which is taking place on Wednesday in the first week back at school in Term 3. This incursion is highly recommended and by all reports a thoroughly enjoyable learning experience.

Several parents have been asking when the NIDA program for Stage 3 will take place. Due to the current health situation the NIDA program has been rescheduled for Term 4. This will be a great way to end the year.

This week Stage 3 have been participating in activities designed by the prefects which examine friendships and ways to strengthen and maintain positive relationships. The prefects have run the sessions, which have been highly successful.

Next week Senior Constable Bottalico, from the police youth liaison department, will run a session for Stage 3 students on Cyber Safety and ethical behaviour when using social media.

PBL Celebration Day

Positive Behaviour for Learning (PBL) is a process that brings together the whole-school community to contribute to developing a positive, safe and supportive learning culture. The PBL framework assists schools to improve social, emotional, behavioural and academic outcomes for children and young people.

At Croydon Park Public School, students are explicitly taught all expected behaviours under our three school-wide expectations of; We are Safe, We are Learners, We are Respectful. These expectations are positively reinforced with the use of do it right tokens and Croydon Park Crests.

Each term, to celebrate students' hard work and consistent following of these expected behaviours, we hold a PBL Celebration Day. This term we will be celebrating all students who have remained on a positive behaviour level with a PJ and Movie Day.

Book Club Payment Arrangements

This is to advise that in future, Scholastic Book Club payments will be paid on-line directly to Scholastic (**NOT** Parent on Line Payment - *no cash to school*). This is going to make the process of ordering book club so much more efficient and easier for our Volunteer Book Club organisers and also limits the amount of cash that children carry to school.

Clips for Wheelchairs

The school canteen are still collecting bread clips. The clips are recycled into wheelchairs. Please save your clips and send them in with your child. They can then be given to Angela in the canteen or Mrs Thuell.

Thank you,
Emma Thuell

TERM 2 IN THE LIBRARY

SCHOOL LIBRARY IS OPEN

All classes have a timetabled visit to the library once a week. Some classes have changed days. Once the timetable gets back to normal, we will share it again.

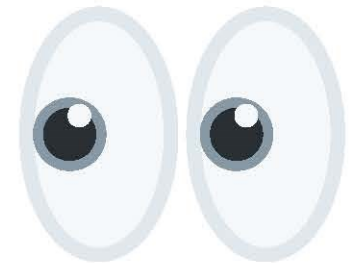

RETURNING BOOKS

Books being returned are held in quarantine at the circulation desk for four days before returned in Oliver School Library System and then re-shelved.

BEING COVID-SAFE

Students have discussed how to be COVIDsafe and are adjusting to new routines. Book browsing is done more with using eyes so less books are handled.

Students are reducing the amount of touching, while games and jigsaws have been put away for the time being.

Hand sanitiser is always available and computers are cleaned with wipes by each user.

CLICK AND COLLECT

Our 'Click and Collect' system is up and running for students in Years 3-6 with reservations made online and books ready for collection near the door.

Croydon Park Public School

The Great Book Swap 2020

Supporting the Indigenous Literacy Foundation

Keep any unwanted children's books aside for now.

Books should be suitable for K-6 and be in good used condition.

When COVID-19 restrictions change, you will be asked to bring them into school.

Books will be sorted and students will be able to swap a gold coin donation for a book.

All funds raised will go to towards buying new books for Indigenous kids in remote areas of Australia.

Please contact Ms Ratcliffe in the Library for more information.

P&C Members Update – Week 9, 2020

The P&C was able to hold their first meeting since March 2020 on Wednesday June 10 via Zoom. We had almost half of our members attend which was fantastic! We thank our members for taking the time out of their busy family schedules to attend. It is much appreciated.

During the meeting, it was awesome to hear from our new Principal, Anastasia, via her "Principal's Report". Unfortunately, we couldn't make any firm decisions around future events or fundraising as the school's Events Calendar is currently on hold due to social distancing restrictions. However, we'll let you know as soon as we're able to start holding events again.

What we were able to do was spend some of our P&C funds and purchase of THREE (3) much needed items for our school;
