Principal Update

Dear Parents and Carers,

Welcome to Term 3

I trust that the school holiday period provided an opportunity for additional relaxation time with family and friends. This week, students and teachers have returned refreshed, eager to learn and recommence some additional activities, such as dance and chess. We have happily commenced the term with our school's Koomurri incursion and celebration of 100 days of Kinder and look forward to a busy term full of rich learning experiences.

Semester 1 Reports

Next Friday, parents/carers will receive the Semester 1 Student Progress Reports. Due to COVID restrictions we are unable to have face to face interviews however, we will be conducting parent teacher interviews via Zoom in week 3 and 4. An additional note has been sent home today explaining this process. Please take the time to book your parent teacher interview. **Interview bookings open this coming Monday 27 July and close Thursday 30 July.** Your child's teacher is looking forward to discussing your child's progress so far this year and sharing your child's literacy and numeracy goals for this semester.

Updated information regarding COVID- 19 pandemic

Please inform the school if you or your child needs to be tested for COVID-19 and not return to school until their test results are negative. Sick students should not attend school. **Any child who is away for 3 or more days due to illness must provide a medical certificate.**

This term schools are able to recommence the majority of school-based activities. This includes extra curricula activities such as dance groups, chess, violin and band. Gathering of larger groups of students, such as whole school assemblies are limited to 15 minutes. Physical distancing requirements remain for adults. All adults must continue to maintain physical distance from each other (1.5m), including teachers, support staff, parents and visitors.

Today Kindergarten celebrated 100 days of school. The students had lots of fun participating in activities, sport and art all based around the number 100.

In the coming weeks students will be participating in 2 incursion based on our paddock to plate unit. This is in place of the farm excursion that unfortunately due to COVID we can not do. A note went home yesterday informing parents/carers of the payment procedure.

Stage 2 Update

Welcome back to a new term, we hope that all families and students have had a safe and relaxing break over the school holidays.

This term, Stage 2 students will be encouraged to complete their homework on Google Classroom using Slides. This week, the students have been shown by their teacher how to access, complete and submit their homework tasks on Google Classroom. From next week, homework activities will be assigned weekly rather than fortnightly. We understand that some families may not be able to provide their child with the technology required and hard copies will be available on request. Please be aware that we are trialling this new way of completing homework and adjustments may be made throughout the term to the layout or the activities themselves. We welcome any feedback from parents or students. If your family has a busy home schedule, please remember that reading daily is the most important thing. 3/4W are very excited about the new format as I am sure the other Stage 2 students are as well.

Ashley Winwood, Assistant Principal

Stage 3 Update

Welcome back everyone to Term 3. I hope everyone had a relaxing and enjoyable holiday. This term we will be reading the book Holes as part of our novel study. This will culminate with the Stage watching the movie derived from the novel at the end of the term so students can compare and contrast the two mediums. In Geography, we will be examining Factors that Shape Places and Factors that Shape Environments. In Writing, our main focus will be on Informative Writing. In Science, we will be studying Space, which will involve some project-based activities. This term we will also continue to have fund raising activities for the Year 6 Farewell.

Library Update

Library Timetable – Updated

Our library timetable has had a number of changes during Terms 1 and 2 this year, and here is the latest version. Fingers crossed, this timetable will last for all of Terms 3 and 4.

Monday	Tuesday	Wednesday	Thursday	Friday
1H	3/4HI		2J	
1/2R	5/6M	KG KN	3/4B	2A
4/5V	5/6W	KT K/1B 1J	3/4M	2SH
5/6S			3/4W	

Education Week

Education Week runs from Monday 3 August to Friday 7 August. Sadly, we cannot have our usual Open Library Day where we welcome the school community inside to donate books and to read with their children. However, we will be able to run the Book Donations, although in a different way.

If a student would like to donate a book to our school library's collection, they may bring \$5 or \$10 cash in a marked envelope (student name, class and total amount) to school. Books will be on display in the library and students may select their book when the library is open before school or during their class time in the library. Managing the donations this way will be new for library staff, we believe this will work.

The donated books then become part of our library collection. A donation label will be placed inside the donated book and that student will be the first in the school to borrow it. All funds raised will be used to buy more library books.
