Principal Update

Dear Parents and Carers,

Keeping our Community Safe- Updated Guidelines as Wednesday 19 August.

Earlier this week, the Department of Education in line with recent health advice issued some updated guidelines regarding school operations. I have attached these to this message. Here is the link

<https://education.nsw.gov.au/covid-19/advice-for-families>

Specifically, the changes reflect our extra curricular activities, and further vigilance in our school attendance and physical distancing measures. Please click onto the link [here](#) to refer to Wednesday's Skoolbag notice for specific changes to our school related activities. Thank you for your ongoing support and consideration during these challenging times. I will continue to keep you informed of advice received and together take appropriate precautions to keep everyone safe.

Parent Feedback Survey re: Semester 1 Reports

Last Friday, a short parent survey was made available via Skoolbag to all our families regarding Semester 1 Progress Reports and Teacher Parent Interviews. Thank you to the 58 families who have taken part in the short survey thus far. **The survey will remain open until next Wednesday 26 August.** Your valuable feedback will help guide decisions around our reporting processes for Semester 2 and beyond. Please click onto the link [here](#) if you have yet to participate. We look forward to hearing your feedback and sharing results in our next newsletter.

Scripture and Ethics (SRE/SEE)

Earlier this term, we welcomed back our Scripture and Ethics classes. Due to our staggered pick up times commencing at 2:45pm, K-2 students continue to take part in scripture lessons during odd weeks and Years 3-6 will participate during even weeks. This arrangement will continue during this term until further notice. Currently, our Catholic SRE teachers have not resumed this term and there is a shortage of Ethics teachers available. Students who would normally participate in these SRE/SEE classes have remained with their class teacher while other students participate in SRE/SEE.

In the event that an SRE/SEE teacher is absent, students also remain with their class teacher. This arrangement will continue until further notice.

School Photos this coming Thursday 27 August

A gentle reminder that all students will have their class and individual photo taken this Thursday. Sibling photos will also be taken on this day. As in previous years, sibling photos will be taken at 8:15am in our school hall and additional payment is required. If you are interested, please contact the school office. Unfortunately, due to COVID-19 and the disruption of extra curricular activities, there will be no extra curricular photos this year. It is important that your child arrives to school in **full school winter uniform** on our School Photo Day.

Kindergarten Enrolments 2021

Kindergarten enrolments for 2021 are now overdue. Please contact our school for an Enrolment Form or fill out a form using the link [here](#). Due to COVID restrictions, Kindergarten Orientation Sessions are currently on hold in all schools. Later this term, more information regarding delivery mode of our Orientation Days will be available. Our proposed Term 4 dates are noted below.

Police Traffic Unit and Council Ranger update

Earlier this term, I informed our school community that the Police Traffic Unit will be conducting School Zone Operations during drop off and pick up times. The advice provided clearly indicated that there will be zero tolerance given to drivers who disobey posted street signs. Please be aware that these operations take place at schools without notice. Recently, we have had unexpected council rangers visit Seymour Street during afternoon pick up time. Please be mindful of everyone's safety during drop off and pick up time. We are fortunate to have access to the carpark at Croydon Park Club. I encourage parents and carers to use this facility and avoid double parking or U-turns in Seymour Street. The safety of our students and school community is paramount. Thank you to all parents and carers who continue to be considerate in taking care and cooperating in being respectful during pick up and drop off times.

Cyber Safety Talk

Last term, our Stage 3 students participated in conversation with Constable Jim Bottalico, Youth Liaison Officer and were provided with guidance to stay safe when using social media platforms. Next Wednesday, we welcome back Constable Jim Bottalico to discuss Cyber Safety with our Stage 2 students.

More than ever, we need to take care in protecting the safety of our children online. I encourage parents and carers to be aware of their children's use of social media and potential of cyber-bullying through social media platforms. The eSafety Commissioner website provides supportive information about Staying Safe Online www.esafety.gov.au Please take the time to familiarise yourself with ways to support your child/ren in staying safe when accessing and using social media platforms.

Congratulations Mrs Judd

I am pleased to announce that Mrs Judd gave birth to a beautiful baby girl, Luna, on Tuesday 11 August. She was 51cm long and weighed 3.2 kg.

Kindest Regards,
Anastasia Galanos, Principal.

Early Stage 1 Update

Last week we said goodbye to the chicks. Kindergarten had lots of fun observing the chicks hatch and grow. But our farm experience didn't end there. Yesterday KindiFarm visited Croydon Park. The students got to experience a little bit of the farm in the city.

French classes have also been following the 'paddock to plate' theme with students last week learning about where cheese comes from and of course tasting a little!!

Stage 1 Update

Well those first 5 weeks went quickly!

Mrs Hallaby and myself would like to say a big Hello to all our Stage 1 parents and families and remind you that as your Stage 1 leadership team we are here to help with any problems, concerns or even compliments you would like passed on to the Stage 1 team of teachers. A quick reminder that if you need to contact a Stage 1 Assistant Principal our days are as follows:

Monday- Wednesday- Mrs Stainton

Thursday- Friday- Mrs Hallaby.

Stage 1 Learning highlights.

During the first 5 weeks of term 3 our Stage 1 students have been delivering a variety of topic talks to their peers. These talks have included topics such as 'What is your favourite Australian animal?' and 'Explain the life cycle of an Australian Animal'. Although many of our students find the delivery of topic talks challenging, we know that they are learning a lot and becoming confident public speakers. I know all our classroom audience members are also learning a lot during this process.

Pick up and drop off

As we continue to work through the Department of Education Covid19 restrictions we would like to remind you of our pick up and drop off procedures. Whether you are picking your child up from Seymore Street or Georges River Road, we ask that you enter and exit the school promptly and if you wish to speak to your classroom teacher, you call or email the school and leave a message. It is difficult to discuss your child's learning or social and emotional development during this time and we are bound by the Department of Education restrictions.

Sound Scout Hearing test

We are happy to announce that all Sound Scout Hearing tests were completed this week and we are now ready to distribute the assessment documentation to families. We apologise for the delay in this process, however many of our Stage 1 students required retesting and we wanted to distribute accurate information consistently across the stage. Look out for your child's results next week.

Stage 2 Update

This fortnight, students in Stage 2 are learning about multiplication and division. Students have been engaged in a range of learning activities and are really enjoying our Thursday and Friday maths groups!

This week, a note was sent home informing parents that the Stage 2 Great Aussie Bush Camp has been cancelled due to the current restrictions regarding COVID-19. For those families who have already made a payment for the deposit, you may collect a Refund Form from the office to allow a refund to be processed. If you have any further questions, please contact the school office.

Clips for Wheelchairs

The school canteen are still collecting bread clips. The clips are recycled into wheelchairs. Please save your clips and send them in with your child. They can then be given to Angela in the canteen or Mrs Thuell.

Thank you,
Emma Thuell

Library Update

Education Week: Book Donations

Thank you to all the families who helped us raise \$534 for the library via the Book Donations. Mrs Tricase has typed up all the donation labels and placed them inside the books. Next week students will get to borrow their donated book.

Book Week 2020

For all the usual reasons, Book Week has been moved to Term 4. We will figure out how we can celebrate books while keeping in mind the necessary COVIDsafety restrictions. Check out the CBCA website for the list of this year's shortlisted books.

Premier's Reading Challenge

Last call for those students who have completed the PRC to get their reading log to me (they may print it in the library). The challenge finishes on Friday 28 August. A big congratulations to those students who worked hard to finish it in the past 2 weeks.

About us

Here at Croydon Park Primary OSHC Centre, we have a team of dedicated educators who are passionate about working with children.

Our programs are based off the 'My time, Our Place' framework and our weekly children's meeting ensures their voice are heard to help plan our program. We have also introduced MOOVOSITY twice a week to our program to help encourage children to enjoy a life of physical activity.

In addition to our program, we also run clubs every term. The clubs that we offer are both educational and engaging, allowing the children to grow their knowledge and their skill set.
