## Principal Update

Dear Parents and Carers,

### World Teachers' Day

Happy World Teachers' Day to all the teaching staff at Croydon Park Public School. Teachers (with support from parents and carers) have ensured that quality education has continued across the country this year, despite major challenges. It's reinforced the significant role teachers play in the lives of our children and students, their families and communities.

I would like to acknowledge the dedicated work and resilience of our teachers who have continued to provide enjoyable learning experiences that challenge and support all learners. Every student is known, valued and cared for. Well done to the awesome teaching team at Croydon Park Public School.

A huge thank you to all our P&C, parents and carers who generously contributed towards a COVID safe morning tea today. Our teaching staff were very appreciative to receive pre-packaged cakes and coffee vouchers. Thank you also to all our students who wrote thank you messages and cards. Our teachers appreciated their kindness and thoughtfulness.

### Crossing Supervisor at Seymour Street

This week, our school was informed that my application for a Crossing Supervisor at the crossing on Seymour Street has been successful. I am now in the process of finalising these arrangements and very much look forward to welcoming this support into our school community. I will keep you updated once I receive further information.

## Planning for 2021- Are you leaving Croydon Park Public School?

Thank you to all parents and carers who have already informed the school of students leaving us at the end of this year. 'Planning for 2021' form was sent home at the end of week 1 this term. This information is important for our planning as student numbers affect classes, staffing and building allocations. Please let the school know as soon as possible if you are leaving. Thank you for your cooperation.

## Kindergarten Orientation- 5 more days to go!

We are very much looking forward to meeting our Kindergarten 2021 students and their parents and carers into our school community. Thank you to all 2021 Kinder families who have booked a suitable time to attend an interview with our Kindergarten Assistant Principal, Mrs Thuell. Our first Kindergarten Orientation session commences next week on Thursday 5<sup>th</sup> November. Please note that only students with a completed Enrolment form, which has been reviewed by the school, will be able to attend.

# Updates to the Opportunity Class placement process for Year 5 entry in 2021

## Information for parents/carers and students

To maintain the health, safety and wellbeing of students, the 2020 Opportunity Class Placement Test has been rescheduled to Wednesday, 18 November 2020.

To continue minimising the risk of COVID-19 transmission, students attending government primary schools will be tested at their own schools. All other students will be tested in designated external test centres.

Only students whose parents have received a confirmation email from the High Performing Students Team are eligible to sit the test on the new date of 18 November 2020. The application portal will not be re-opened for new applications. These changes have been made to the placement process for this year only.

The revised application and placement process will ensure students are placed in Year 5 opportunity classes as early in 2021 as possible. The Department remains committed to supporting the continuity of learning and transitions for each child.

The Department continues to work closely with NSW Health to keep our students, staff and schools safe.

Parents/carers are encouraged to keep up to date with the Department's COVID-19 advice for families page, to ensure they are up to date with the latest advice.

A visual timeline showing the key dates is provided on the next page. Parents/carers are advised to note carefully the rescheduled dates.

# CROYDON PARK PUBLIC SCHOOL NEO ORA

## Early Stage 1 Update

### Literacy

This term Kindergarten will be exploring how toys move. The unit will include an incursion in week 8. A note will go out in week 4.

This week KB and KGT focused on toys that bounced. Firstly, they investigated how and why toys bounce. The students then made bounce back paddle bats. Finally the students wrote about their learning.

### Numeracy

This fortnight in maths, Kindergarten have been learning about 3D shapes. They have explored the features of a 3D shape and how these shapes move eg slide, roll, spin, stack. KGT had fun making 3D shapes using plasticine.

Emma Thuell, Assistant Principal

# CROYDON PARK PUBLIC SCHOOL NEO ORA

## Stage 1 Update

### Writing

We have been exploring the structure and language conventions of persuasive writing and just a heads up for the families of 2SH, the students in the class 'strongly believe that living in a treehouse is a great idea'. Feel free to 'strongly disagree' with this and use this time to share your 'opinion' and 'point of view' which we are also learning about. It is going to be a fun Christmas holiday break after they've learnt about language to 'persuade'. Good luck!!

### Reading and responding

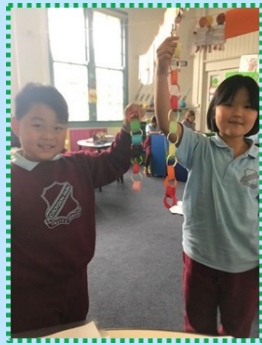

Have you ever read 'The True Story of The Three Little Pigs?'. Well 2SH students have. They heard the Wolf's side of the story this time and decided that his story is more convincing than the one by Three Little Pigs. This text links with our writing unit of study and is consolidating our learning of persuasive language in presenting your opinion and point of view.

### Mathematics

Students in Stage 1 have been working with their peers to build on their mathematical knowledge and skills. They have been participating in a variety of learning experiences focusing on Word Problems, Patterns and Algebra, Addition and Subtraction and Time.

Shellianne Stainton, Assistant Principal,  
Litsa Hallaby, Relieving Assistant Principal

# CROYDON PARK PUBLIC SCHOOL NEO ORA

## Stage 2 Update

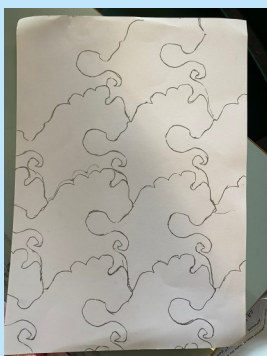

### What's happening in 3/4B

As you might have read in the last newsletter, 3/4B have been joined by a pre-service teacher, Miss Hanadi Asfour for the first six weeks of Term 4. Miss Asfour comes from the University of Western Sydney and is in her final year of a Masters of Teaching. The kids are loving having an extra teacher in the room and we look forward to the next few weeks with Miss Asfour.

### Literacy

Team 3/4B has been working very hard on its writing for the last term and a half. Complementary to the narrative writing program, 3/4B are very excited to be writing their own narrative story based on a young boy and his dog, lost in a big, busy city. Those were all ideas collaboratively developed by the whole class and as the term progresses they will continue to expand this story. We look forward to sharing it with you in Week 10.

### Numeracy

Money, money, money. Kids have been learning all about budgeting and adding and subtracting money. It's amazing how quickly their maths skills improve when kids are asked to compile a list of things they'd like to buy with a budget of \$200! They've also looked at patterns in numbers as well as in art, making their own tessellated patterns with great success.

Ashley Winwood, Assistant Principal

# CROYDON PARK PUBLIC SCHOOL NEO ORA

## Stage 3 Update

### What's happening in 5/6W

The students in 5/6W have been enjoying the start of the NIDA program. As a part of this program, the students are required to use objects as a stimulus to write an improvised story under time pressure. We trust our ideas, we don't overthink it, we just write. The students have found it to be a very liberating way of writing! Over the next few weeks the class will be devising a script and working in groups to build on the creative ideas of others.

Our student teacher, Ms Jaelouk has been revising multiplication and division strategies with the class. Playing different games and activities in maths rotations give the students plenty of opportunities to practice all the strategies needed to be flexible learners.

Stephen Costello, Assistant Principal

## Library Update

### Great Book Swap

This event has been highly successful! It created a lot of excitement for the students taking home their books. We have raised \$550 so far and by the time we finish, that figure is likely to be close to \$600.

Thank you so much for your support of the Indigenous Literacy Foundation and their important work to close the literacy gap.

### Author Visit

It's not long until author Deborah Abela visits Croydon Park Public School on Wednesday 4 November; and classes are starting to look at her books and learn about her.

You can find out about this engaging author:

<https://www.deborahabela.com/>

### PRC SuperStars Celebration

The date has been set for our PRC SuperStar celebration – Wednesday 11 November. Paul McDonald will be here to talk about the latest and greatest in children's books. The school will provide pizza for the lunch, a COVIDsafe alternative to our usual shared food. A note will be sent home for those attending, this will have further details about the event.

### Library monitors

We've started our library monitor program again and have Year 5 students training the eager Year 4 monitors. I really enjoy watching this student leadership and mentoring in action.

### Term 4 in the Library

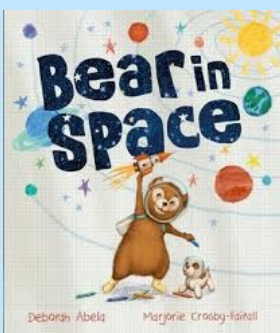

Term 4 is always a busy term in the library. We have seven weeks of regular class lessons before the library staff start the annual stocktake of resources. However, for a few reasons, borrowing of books will stop earlier than usual. We have got into the routine of placing returned books into quarantine for 4 days. This practice makes it more challenging to follow up on overdue books in a timely manner. Also, I will be on leave for 2021 and I'd prefer to have my replacement start the school year without any overdue books to track down.

Please return any school library books or spare library bags that are at home.

The bags are marked "CPPS Library",

Ms D. Ratcliffe

Teacher librarian

### P&C Members Update – Week 3, Term 4 2020

Back in September, we met for our monthly meeting. We talked at length about possible fundraising opportunities for the remainder of 2020. Keep your eyes and ears peeled as we work with the school to plan something FUN for the end of the year. Lookout for the School Cookbook pre-order form over the next few weeks too! Anastasia provided her usual Principal's update and spoke about the easing of restrictions by the Department of Education and how that will impact the upcoming school events for this Term.

Also, today we celebrated World Teachers' Day. Teachers (with support from parents and carers) have ensured education continues across the country this year, despite major challenges. It's reinforced the significant role our teachers play in the lives of children and students, and the Croydon Park community. Thank you to all the families

who made a small donation so that our incredible teachers could enjoy a specially catered morning tea. We also thank everyone who took the time to write a thank you note for their teacher.

**So when is the next meeting?** Thursday November 12 at 7pm via ZOOM / CP Club (limited capacity)

### P&C Membership

If you would like to sign up to become a P&C member and vote on P&C issues, please take a membership form when you visit the School next. Forms are located on the desk outside the school office. Membership is \$2.

### School Cookbook

The School Cookbook is being finalised. We are thankful to all the students, parents and staff who have contributed - we are very impressed with the quality and diversity of the dishes. We will be circulating a pre-order form shortly so we can determine how many copies to print. The book is being put together and printed professionally and we are excited to see the finished product which should arrive by week 10.

About us

Here at Croydon Park Primary OSHC Centre, we have a team of dedicated educators who are passionate about working with children. Our programs are based off the 'My time, Our Place' framework and our weekly children's meeting ensures their voice are heard to help plan our program. We have also introduced MOOVOSITY twice a week to our program to help encourage children to enjoy a life of physical activity. In addition to our program, we also run clubs every term. The clubs that we offer are both educational and engaging, allowing the children to grow their knowledge and their skill set.
